

A Day of Summer

Days pass by with nothing to do,

All I want is to play with you.

Some memories are good,

Some are bad,

If you're not with me, I'll be sad.

Friends are friends,

Summer or not,

Let's just play,

Cold or hot!

Winter, spring, summer, fall,

I want you there through it all.

When we're in school,

I'll have you in my class.

We are best friends,

We can share a hall pass.

I know you think I might not care,

But you're my favorite Teddy Bear!
